## May 2018

### Ice Cream Social

We always end our year with a fun Ice Cream Social on our playground. (If it rains we meet in Sheffield Hall) We invite you to come and share some fun and eat some delicious ice cream cake at 11:15 on Friday June 8th. Siblings are invited to attend too! Please check with your child's teacher for specific classroom details for the last day of school.

### VBS Update and Donations Needed

Vacation Bible School Camp will take place June 25th to June 29th from 9:15 to 12:15 here at the Parish house. The theme this year is "Raging River Rampage"! Please consider Volunteering for the camp—it is a lot of fun! The camp succeeds with the help of our fabulous volunteers. Send an email to Mrs. Mead: amead@pcmorristown.org

Mrs. Mead is also looking for some items to help make some of the decorations. These items will be returned to you.:

- \* Blow up rafts
  - \* Paddles
  - \* Life Jackets
- Other items for crafts and activities:
- \* Aluminum baking pans
  - \* Plastic Wrap
  - \* Freezer paper
  - \* Twine
  - \* Diaper Genie bags
  - \* Heavy Duty Aluminum
  - \* Plastic Tablecloths

Issue 7

**of paperwork to**  
**be sent out**
- ☺ **August 20—**  
**Summer Packets**  
**to be returned**  
**to PCNS**

### Security Access Cards Update

Our security access cards were a success this year. **All families are required to return the access cards** each summer. We will hold the card here at school until September. Please return your card to Mrs.

Mueller on June 5 and 6. Mrs. Mueller will be available at pick up in Sheffield Hall to help you with this process. Please let us know if your card is LOST—we will deactivate that card. In September, you will have to get a

new card. The fee for lost cards is \$15. Thanks for your cooperation.

## 2B and 3B Mrs. Klingman and Mrs. Oberding

This month we have lots of special events to look forward to! We begin with Mother's Day preparations including decorations, gifts and a menu designed by your children. The Mother's Day party for the three-year-old class will be on May 10th at 10:45 a.m. The Mother's Day party for the two year olds will be on

May 11th at 10:45 a.m.

We'll spend a week talking about all things magnets and marbles and another week talking about bumblebees, ladybugs and dragonflies!

We'll wrap up the school year making a special present for

the dads. We had an amazing school year with your wonderful children. Have a terrific summer!

## 2A and 3A Mrs. Healy & Mrs. Trombetta

In May we are looking forward to our Mother's Day Tea. We will be celebrating on Thursday May 10th and Friday May 11th from 11am to 11:30am in our classroom. We are so excited to celebrate with our Mommy's. The children have been working very hard to make this day extra special so get ready for some fun!!!!

This month we will continue planting and tending to our classroom garden. We will be doing some science experiments involving vegetables

and flowers and how they absorb water and seeing how they grow from the root. We will also be learning about caterpillars and the cycle of a butterfly. We will be learning about turtles, frogs, snakes and other creepy crawlies we might see outdoors. We plan to spend lots of time outside searching for interesting things with our magnifying glass. We will take pictures of what we find and display them on our bulletin board. We will also be learning about Birds

and other backyard animals. We would like to thank all of you for your cooperation and support throughout the year. It's hard to believe that the school year is coming to an end. There is nothing more rewarding than seeing the children grow and learn throughout the year. We would like to thank our families for giving us the opportunity to teach your precious children. We have truly enjoyed each and every day!!! Have a wonderful summer!!!!

## 4A Mrs. Eck & Mrs. Singagliese

As we move into May the children will be busy creating special treats for Mother's Day. Don't forget: Our Mother's Day Tea will take place on **Friday, May 11<sup>th</sup> at 12:30**. We are all looking forward to this special celebration.

Bugs! Creepy, crawly, critters will be a fun May theme. The children will enjoy learning about bees and ladybugs. We will also begin our butterfly unit. The

children will observe the butterfly life cycle from egg to butterfly. Letting our butterflies free will complete this theme.

On **Thursday, May 31<sup>st</sup>** PCNS will have its first Art Show in Sheffield Hall from 5:00-7:00 pm. Please mark your calendars for this special evening.

For our end of year celebration we will celebrate by having a class beach party. There will be

several different water activities (sprinkler, water balloons, water table) for everyone to join. Keep watch for the date of this fun event. Wishing everyone a happy, healthy and safe summer.

## 4B Mrs. Yacenda & Mrs. Fitzgerald

It is hard to believe this is the last newsletter of the school year. It has been a terrific year so far and we still have lots more fun planned!

May brings Mother's Day and everyone is busy creating many loving surprises for our Moms. The children are very excited about having their Mom come to our Mother's Day Tea!

Throughout the month of May, we will be investigating some in-

teresting creatures in nature. We will learn about frogs, toads, ladybugs, bees and butterflies. The butterfly unit will be especially exciting because we will have live caterpillars to observe. The children will observe, first hand, the stages of metamorphosis. We will complete the unit by releasing the Painted Lady butterflies into our garden!

The children have been very busy putting finishing touches on

their Alphabet Books and there are only a few more entries for our Science Notebooks! We are very proud, as they are, of all their accomplishments and hard work this year!

In June we will enjoy lots of Summer Fun. We will hold our annual Water Day Beach Party to finish up our school year!

With Mrs. "R"

The children enjoyed playing many different types of musical instruments this month with Mrs. R. She always helps us keep the beat. We complete our music classes in May and want to thank Mrs. R for teaching the children all year.

## Philosophy

We are a Christian Nursery School that operates as a form of outreach for The Presbyterian Church in Morristown. The primary goal of our school is to serve children and families within the Morristown area by offering a nurturing and stimulating atmosphere for young children. We offer the children an opportunity for emotional, physical, intellectual, social and spiritual development in a Christian environment.

## "JAM" YEAR END WRAP UP & on to Fall 2018!

"JAM" - The Church's Joy And Music program orchestrated in style by our own Mrs. Ramseyer will complete the year on May 24<sup>th</sup>. It has been a fun filled musical journey for our JAM kids this year. All of our Jammers have learned about rhythm, beat, experimented with their voices and played musical instruments. We even got to try out handbells. All of this happened while moving and dancing

around our Multi-Purpose Room each week. Thanks for a great year of JAM and we look forward to moving and grooving with our next group of Jamming 4 year olds in the fall!

The church offers a free MidWeek program which includes music with Mrs. R and Bible stories and crafts. This is for children from kindergarten through to fifth grade. It runs after school on Wednesday afternoons from 4:15-6:00 September through May. Keep it in mind for your after school activities this fall. Your families always have a home here at the Presbyterian Church in Morristown!
