

Middle School
Mission Trip
July 24-29, 2011
Mahanoy City, PA

Join us July 24-29 for a week of serving God and loving others!

During the day we will be leading a kids' club, doing work projects around the community, and spending time at the local senior center.. In the evenings we will learn about the history and culture of Schuylkill County through a scavenger hunt and walking tour of downtown Mahanoy City, tour the Ashland Pioneer Coal Mine, an inactive coal mine, visit Tuscarora State Park with an opportunity to swim, play Frisbee, hang out and enjoy the beauty of Pennsylvania, and participate in a Community Cookout held at a nearby park.

It will be a great opportunity to serve God, to hang out with friends from church, and to meet other youth groups from around the region!

**Cost for the trip is \$285 + money for travel stops and souvenirs
\$100 trip deposit and release forms due Sunday, March 27**
