

COVID-19 SCREENING QUESTIONNAIRE

In order to better assure the safety of our church community, we ask that you please review the questions below; then **confirm with your meeting coordinator** that you have done so **prior to arriving** for your meeting.

If you are in any of the 'high risk' categories defined by the CDC, we urge you to consider attending the meeting virtually (online) or by telephone rather than entering the building.

If you answer '**YES**' to one or more of the following questions, you **may not** enter a PCM facility.

1. Have you or anyone in your household tested positive for COVID-19 (within the last 14 days) or is awaiting results of a COVID-19 test? If you tested positive, you must wait 10 days after becoming symptom-free or have received a negative result from -2 subsequent tests in a row at least 24 hours apart.
2. Do you or anyone in your household have any of the following symptoms?
 - a. Fever over 100.4 degrees
 - b. Cough
 - c. Sore throat
 - d. Headache
 - e. Nasal congestion or runny nose
 - f. Shortness of breath or difficulty breathing
 - g. Fatigue; unexplained muscle or body aches
 - h. Loss of taste or smell
 - i. Nausea, vomiting, or diarrhea
 - j. Repeated shaking with chills
3. Have you or anyone in your household returned from international travel within the past 14 days or have you returned from states named as having a high COVID-19 infection rate (*) within the past 14 days?
4. In the past 14 days, have you or anyone in your household had close contact with someone who has tested positive for COVID-19 or exhibited COVID-19 symptoms (as defined above)? Close contact means being within 6 feet for more than 10 minutes.

Thank you very much for your cooperation.
